

Welcome to Music Class!

To be a successful music student, you must bring the following supplies to class each week:

1. Your school issued Chromebook
2. A pocket folder with your name and room number clearly marked on the front
3. A spiral notebook (one subject is best)
4. A pencil

Mrs. Barnick's rules to be followed by all students are:

1. Place books on tables or under your chairs to be out of your way
2. Turn in homework at beginning of class
3. Bring music pocket folder, spiral notebook & pencil or erasable pen
4. Have Chromebooks with you each week (only taken out if written on the board)
5. Label all papers with name & section number (8A, 6C, 7B, etc.)
6. Do not move chairs and straighten table when class is done
7. Pick up your own mess
8. Only play instruments with permission

A typical day in the life of music class at Infant Jesus of Prague School will begin by each student taking their stack of school books to their assigned tables and taking out their Chromebooks, music folders, with spiral notebooks and pencil. Each student should turn in any homework in the marked file for their grade level, remembering to write their name & section number on each paper. The student will then prepare for class according to the instructions on the blackboard. Students found not having proper supplies with them in class will lose points toward their supply check grade. If a paper is not marked with a name, the paper will not count for credit and must be redone at a reduced grade.

Students will be graded on the following:

1. Every week the students will start class by copying Mrs. Barnick's "Musical Minute" from the board. A fundamental element of music will be taught. Students will receive credit for what appears in their notebook. Worth 20 points.
2. Supplies needed for class will be checked occasionally. Worth 10 points
3. The students will be given a homework worksheet or outline to be filled in during a lecture. These are due at the beginning of the next class. This indicates class participation. Worth 25 points.
4. Quizzes will be given to each class with the information taught during "Musical Minute" time and homework worksheets or outlines. Worth 20 points.
5. Three projects (one each trimester) will be assigned during the course of the year. The students will receive a sheet listing many choices of musical subjects and mediums to create their independent study assignment. One small group assignment will also be given. Worth 20 points.
6. Participation in class discussions or groups. Worth 5 points.
7. Extra Credit available (See Power School). Worth 10 points.
