Lenten Class Project: "Living Stations of the Cross" 2018

A much anticipated and most worthwhile part of your child's spiritual education at Infant Jesus of Prague is the Lenten activity, "Living Stations of the Cross". In this activity the students will take on the various roles, including that of our Lord, Jesus Christ, as he passes through the stages of the Passion and Resurrection. The experiential nature of this activity requires attendance and serious commitment to the spiritual nature of this project.

Rehearsals for the "Living Stations of the Cross" will begin on Monday, March 26th, and run through Thursday, March 29th, during class hours. It is imperative that I know who will be in school during this time. Please note, this is a long weekend as it is the weekend of Easter. *Additionally, all participants **must** "costume" themselves in **solid black** or **solid navy** slacks and **long** sleeve **solid black** or **solid navy** shirts/blouses and **solid black** or **solid navy** socks (no logos on socks, pants, or shirts) Girls with long hair will be asked to put it in a ponytail for the presentation. No Jewelry is acceptable.*

Those students who are unable to participate, in rehearsal and performance, will have an alternate written assignment for the same grade point value which will enable them to explore the same spiritual themes. Parental attendance at our Thursday, March 29th presentation for the student body (10:45 a.m.) is most welcome. Please return the form below by **March 7, 2018**. Thank you for your part in the success of this important 8th grade religion activity.

Please detach and return the bottom section by March 7, 2018 (3/7/18)
