

**Infant Jesus of Prague Chapter
National Junior Honor Society
Service Project Completion Form**

A service project is defined as an activity that benefits either our school, or the larger community, through your time and effort. You do not receive any form of compensation in return (money, grades, or religious ceremony).

Each trimester, as part of the NJHS, you will be required to spend 4 hours working in service projects. These may be spent as follows:

1. Infant Jesus of Prague School

Project examples include Tutoring; Fundraising; School Improvement.

2. Community

Project examples are varied, and can be performed for any number of community service organizations, or faith-based organizations.

*You may contribute more than 12 hours total – these are just the suggested minimums.

Complete the following, and turn in to the NJHS advisers when service hours are completed.
